

## About Us

**North Lakeland Discovery Center** is a community-oriented environmental learning center that promotes stewardship of the region's natural and cultural resources.

The Center provides outdoor education programs, recreation opportunities, events and facilities that encourage lifelong learning and create a sense of community and personal wellness.

## Grounds

Our 63-acre campus within the 240,000 acre Northern Highland State Forest in Wisconsin's Northwoods includes:

- Large campfire ring, stocked with firewood, and cedar benches.
- Sand bottom, shallow-entry swimming beach.
- More than 12 miles of wooded, lake and riverside trails for skiing, hiking, snowshoeing and biking.
- 17-station self-guided interpretive trail with state-of-the-art bog boardwalks.
- Large open recreation field.

*Property leased from the Wisconsin DNR.*
