

“Weekend with Wolves” Wolf Ecology Workshop

August 7th and 8th, 2010

**Timber Wolf
Alliance**

North Lakeland Discovery Center, Manitowish Waters, WI

As part of its educational programming, the **Timber Wolf Alliance (TWA)** offers workshops and training to their members and to the general public. Join TWA August 7th and 8th for a “Weekend with Wolves” Workshop. Learn about wolf ecology, wolf monitoring techniques, and the latest wolf issues from biologists and educators. Time will be spent in the classroom and in the field surveying wolf pack territories. Participants will assist with wolf howling surveys and learn techniques in wolf tracking identification and telemetry. This workshop meets the ecology qualifications for becoming a DNR Volunteer Carnivore Tracker, assisting with the winter wolf count.

The workshop fee is \$100 (TWA or NLDC member) \$120 (non-member). This includes registration, meals, and one night lodging in a comfortable bunkhouse style cabin. Payment must be received in full at registration time. Early registrations and overnight accommodations on Friday, August 6th are available for \$110 per TWA or NLDC member, \$130 for non-members (*Friday night meal is not included*).

This two-day workshop begins at 8:00 a.m. on Saturday August 7th and ends at 1:00 p.m. on August 8th. A complete agenda will be sent after registration materials and payment are received. Registration is limited to 60 people and is on a first-come basis.

Due to the popularity of this workshop, we would like to hear of any cancellations as soon as possible. Refunds will be given on or before August 3, 2010. After that date, no refunds will be given.
